## Our Native English Teacher (NET) - Ms Sophie

Hi, my name is Ms Sophie and I am the NET in TWCCPS. I joined the school in 2006 and was lucky to meet the professional, dedicated and enthusiastic team of teachers who immediately made me feel at home.

Our school is very happy to implement the well-structured PLP-R/W programme to our primary 1-3 students in order to enhance the learning and teaching of English. It is tailored to suit our students' needs and my goal is to support children in the skills they need to become lifelong readers and writers. We run different projects within the programme, such as storytelling in Primary 1, postcard exchange with students from another school in Primary 2 and making funny face biscuits in P3.

I also have a chance to meet the students outside the classroom. This October both our students and teachers dressed up and had great fun celebrating Halloween.

I believe my role as an English teacher is to develop students' potential by providing various learning experiences and a happy environment.

### English Activities

Halloween Fun Day

P.2 Visiting Places at School

English Monday

English Club

Talent Show

TWCC Café

Speech Festival
